BLACK FRIDAY

SAVE

KALEIDOSCOPE HOTELS

FROM THE CHAIRMAN

Another fantastic Walton Fun Day. For once, in fact for the first time I can remember, it was hit by a short rain shower. Naturally, the rain failed to dampen the spirits of Walton's citizens (nor those of the surrounding area) and the fun and entertainment continued. There were many new faces and new activities adding to the day. I am sure we all extend many thanks to the Walton Village Hall Trust and their helpers for such an amazing event. The life of the village is greatly enhanced by our fun Day, which is the envy of many villages hereabouts.

Following the long, dry summer, there has been some rain and the village is once again looking green and pleasant. Our gardeners did their best to combat the dry conditions with a wonderful array of flowers and colour over the summer months and the allotment society likewise fought the drought to grow some wonderful produce. The results of the Walton in Bloom competition were announced at the Fun Day and the certificates and trophies have been distributed.

Your paragraph text

The council has been short of members recently, but I am happy to say that we have two new recruits. We are fortunate to have co-opted Heather Shearer. She also serves on Street Parish council in addition to her role as a Somerset councillor. Heather brings a wealth of knowledge and experience of local government and provides a welcome link to our neighbouring council. Damian Harvey (my son) has lived in the village for most of his life and adds some welcome youth to the team. He recently left Plymouth university with an MSc in environmental management which has already proved useful in planning and environmental discussions. There remains one open position if you would like to join us.

Looking forward, we are arranging a Village Vision meeting to be held on Jan 23rd in the Royal Oak, to discuss the housing needs and types in the village. More details later in this newsletter. Recording and formalising your views on this will help us influence the planning process and, if not to prevent unwelcome developments, at least to provide the types of housing that the parish wants. We depend on your participation on the day to ensure we represent the village accurately.

DORSET & SOMERSET AIR AMBULANCE

Air Ambulance Launches 2ndHeli Appeal to Save More Lives

When someone suffers a serious injury or medical emergency, every second counts. For 25 years, Dorset and SomersetAir Ambulance (DSAA) has been bringing the hospital to the patient,delivering advanced critical care wherever it is needed.

Now, the charityis launching its 2ndHeli Appeal, which aims to raise the final £1 million needed to purchase and fit out a second air ambulance helicopter for the people of Dorset and Somerset.
As the busiest air ambulance in the Southwest, DSAA was taskedto nearly 3,000 missions last year, providing critical care to thousands of patients. However, as demand increases so too do costs of delivery, and there are many more patients who need help who are not being reached.
DSAA estimates that around 10% more patients require their specialist care during their 19-hour operating window but cannot be reached due to aircraft unavailability. Significantly, between 2:00am and 7:00am, there is currently no pre-hospital critical care available in Dorset and Somerset.

A secondhelicopter would:
·Strengthen resilience and operational availability.
·Feature a state-of-the-art medical interior for day and night missions
·Support future plans toextend operational hours
·Enable hundreds more life-saving missions each year

Thanks to careful financial planning and public support, the charity has already committed £30 million from reserves for key developments, including the second helicopter, base upgrades, and modernisation projects. However, this won't cover everything – public fundraising will need to continue to grow.
Charles Hackett,CEO of Dorset and Somerset Air Ambulance, said:
"We are proud of how far we have come over the years, but we have reached the limit of what is possible with just one aircraft. With daily maintenance requirements, we cannot get more than 19 hours a day of flying, and the demands on 'Peggy' mean that faults and issues come around all too soon.
People support our charity because they believe in our ability to achieve extraordinary outcomes that wouldn't otherwise happen. This care, this service, this gift to the people of Dorset and Somerset, is lifesaving and special, as every mission is funded by you. Without that wonderful support, our service would not exist.
We now have an incredible opportunity to transform emergency care even further acrossthe region, and hope the public, businesses, and local communities will support us on our quest."

DSAA receives no direct government funding and relies entirely on donations. Each mission costs around £3,500, and operational costs are over £10 million annually.

DONATE to the 2ndHeli Appeal today by visiting:
www.dsairambulance.org.uk/2ndHeli
Alternatively, you can call 01823 669604 to donate by phone.

WALTON FAMILY FUNDAY

Well, what can I say another year another Funday complete! The weather wasn't on our side this year, but it didn't stop our small team from working their socks off to making yet another successful day for our community. On the whole it was a very well attended day and hope everyone that came to support us had fun.

The day started off with a bang with some of our regular groups including Walton WI, Walton Under Fives Preschool, some Wessex teams, Colin Hill Expressive Portraits, a WW2 display, Walton schools' country dancing, Ollie's Lollies, Cobra carnival club and Wick carnival club.

But you may have noticed a few new things this year, we had many more stall holders, a merry-go-round and a hook-a-duck. But our main addition was a converted bar trailer, which was kindly lent to us from Sourdown Farm and our branded re-usable cups, not only does it offer the community to be able to take home a keep's sake and re-use them in following years, but it reduces the amount of waste left at the end of the night.

Speaking as a funday committee member we always try to keep the prices affordable for our community, however it saddens me to see so many people bring their own alcohol in and leave their rubbish, which counteracts our efforts to reduce waste as it still makes the clean up take longer because we are having to pick up other people's rubbish. We do hope that eventually people will stop bringing their own alcohol in and support our local village by buying what is on offer.

As always to be able to make Funday successful each year we need many people, each year we struggle, so if you would like to get involved in helping next year please get in touch with us, we welcome anyone that would like to help, whether it be leading up to the event or just helping on the day and with the clear up, any help will greatly be appreciated.

Liam Hardware

Walton Family Funday Committee Member

We would like to take this time to say a BIG THANK YOU!

The Bands – The Warblers, Priddice Brothers, Tracks and Fair Play. Our sponsorships for the re-usable cups – Well Washed LTD, Tor View Storage and Horizon.

Raffle – Strode Theatre, Haynes Motor Museum, Tranquillity Hair, Bull and Bar, Noah's Ark Zoo, Scott Cinema, The Loft, Burns the Bread, Walton Village Hall Trust, Well Washed LTD, P&K Meats, Peggy's Diner, Deborah Louise, Mundy's, Grinters, Mad Hatters, The Walton Cat, The Royal Oak, Clarks, Indigo Raven Holistic Therapies plus anyone else who kindly donated.

Our barrel sponsors – Paul and Denise Hardware, Star Fish Bar, Rogers Agri

Other sponsors – Lidl, Encore Electrical

SOMERSET CHAIR'S AWARD FOR SERVICE TO THE COMMUNITY

Congratulations to Matt Hawkins for winning The Chair's Award for Service to the Community 2025, Matt was nominated by parish councillors Bob Collins and Jaimi Bartlett.

WALTON UNDER FIVES PRESCHOOL

Christmas Is Coming at Walton Under Five's!
The festive season is fast approaching, and we're getting ready to celebrate at Walton Under Five's!
Our Christmas fundraiser is on the horizon, and we can't wait to bring some seasonal sparkle to our preschool. Plans are underway for fun, festive activities to raise funds that directly support our children's learning and play.
Keep an eye out for updates – we'll soon be sharing all the exciting details on how you can get involved. Let's make this Christmas magical for our preschool community! The Committee are always keen to welcome new members, so please message us on Facebook or email us at waltonpreschoolcommittee@gmail.com if you're interested in joining us!

WALTON MEMORIAL TREES

The village war memorial, just outside the church gates, was once located in a grass field where five memorial trees, one for each man named on the war memorial, remain.

Council is looking to carry out much needed maintenance work on the trees to retain this living memorial, which is currently on private land. The work will involve removing the metal guards around the trees, some work to remove dead wood, trim and re shape the crown on some trees, and completely remove one tree that has died – a replacement tree will then be planted.

WALTON VILLAGE VISION

You will have seen in the news, the government has promised to build, build, build to address the country's housing shortage. This means that developments are going to get planning permission more rapidly and with less challenge. For Walton village, it means that we are more likely to see developments whether we want them or not.

But...we can influence what type of housing is built, what it looks like and how affordable it is. For example, should we have a mix of housing, as in Meadow Lane / Smallmoor, should we aim for smaller, more affordable housing, should we have more bungalows?

As I mentioned in an earlier newsletter, we commissioned a report from government-funded professionals to investigate our future housing needs by looking at local population trends, available housing, prices and other factors

Our voice will be much more powerful if we can prove that our residents are behind us. Your views can be made official through a Neighbourhood Plan which has been discussed and reviewed by you, the people living in the parish. The Plan would set out a long term vision for the village.

We are holding a Walton Village Vision meeting where you can review the findings of the report, discuss the options and have your say about what the village should look like into the future.

John Harvey

Residents: we need you!

Walton Village Vision will be held in the Royal Oak on Friday 23rd January between 7:00pm and 8:30pm.

Please save the date and come along to have your say

An interview with

SANDRA GRISTOCK

SANDRA, HER HUSBAND AND CHILDREN MOVED TO WALTON 45 YEARS AGO ON DECEMBER THE 19TH FROM LONDON. THEY DIDN'T KNOW THE AREA VERY WELL AND WITH A JOB IN SHEPTON MALLET FOUND THEIR PERFECT HOUSE ON THE MAIN ROAD OF WALTON WITH A PROMISE OF A BYPASS WITHIN 2 YEARS – WHICH SHE IS STILL WAITING FOR.

WHAT'S YOUR FAVOURITE THING ABOUT THE VILLAGE? WHY?

Sandra's favourite thing about the village is the sense of community, with lovely and friendly people. She states we are blessed with an excellent school, preschool, village hall and church.

WHAT GROUPS ARE YOU PART OF, OR HAVE BEEN PART OF IN THE PAST?

Sandra is part of the Walton Women's Institute [WI] and the Church; she joined both groups when she moved here to meet new friends and has made some lovely friends since.

YOU WON THE VILLAGER AWARD IN 2010, WHAT WAS THAT FOR?

Sandra won villager of the year for Sunday School work, which has changed over the years. It used to be called Sunday school; it then changed to Monday/Friday school depending on which day suited people. Sandra used to run the event in the old Vestry then it moved to the old Vicarage, then to the Methodist Church, and now they use Walton School. Nowadays it is called Open the book and Messy Church. There are so many ways to share the gospel with Bible stories, crafts and games.

WHAT SORT OF THINGS DOES THE CHURCH PUT ON FOR PEOPLE OF WALTON?

Being part of the church means Sandra gets the chance to help with various fundraising events that the church puts on for the community and the wider world. Some of these events include a community coffee morning which is open to all, quizzes, various fundraising events as well as supporting Macmillan coffee mornings. The church still has plenty of its usual events such as christenings, weddings and funerals and celebrates all the festivals.

The church is now ECO meaning they use LED lightening and save fuel where they can. They embrace the no mow May, which is extended until September in certain areas, meaning they have managed to get a variety of wildlife and plants/flowers back. They have also achieved their bronze and silver award and are now working towards their gold award.

The church still offers 'Open the Book' where they go into schools and share books with children like Bible stories which the children are able to act out, the schools they visit are Walton, Brookside, Elmhurst and Hindhayes.
Messy Church is also available for children and their families after school.
Summer events, including BBQs in the church yard, are also a big hit for families.

WHAT'S ONE THING YOU WOULD LIKE PEOPLE TO KNOW ABOUT OUR CHURCH?

The church building is lovely but needs a huge amount of work to save it, and they are beginning the long process of raising the money for the roof. But the church is the people, the people are a wonderful family. None of us are perfect, we all make mistakes and do things we wish we hadn't, but like a family we can try and put things right, support each other and be there for each other. We love welcoming new people through the doors; we are a friendly bunch of all ages.

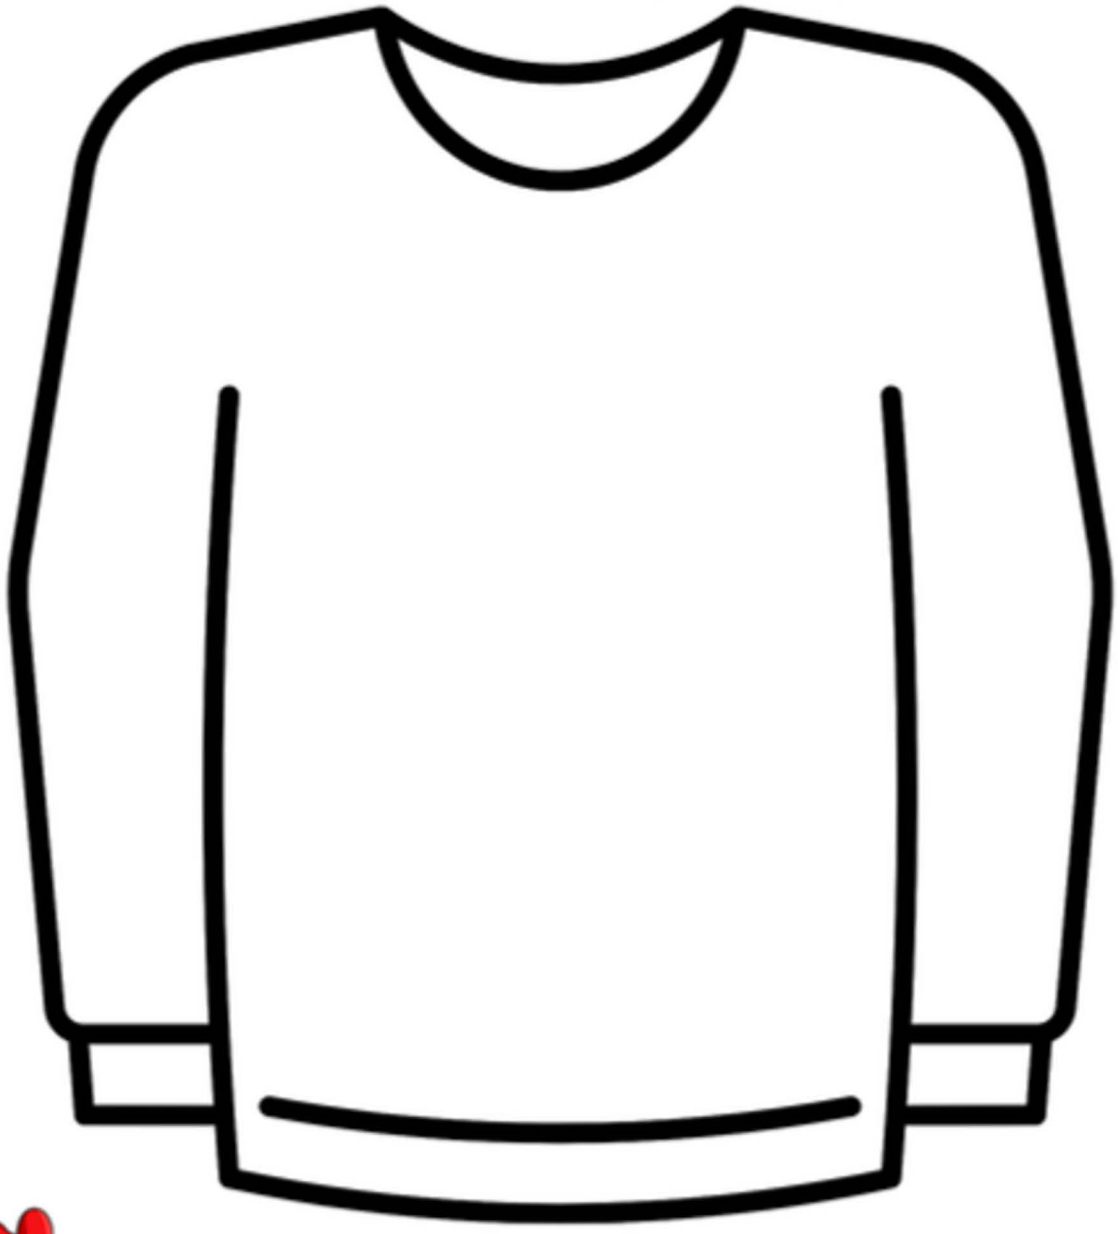

Interview by Lian Hardware,
photographs from Sandra,
WI & village archive

Competition Time!

As Christmas is fast approaching, we would love to see how artistic the children of Walton are!

We would love for you to decorate a Christmas theme sweater for a chance to win a tub of chocolates.

All you have to do is decorate this sweater, and pop it into the village hall post box by the 12th of December. If you would like more copies please send Lian an email at lian.hardware@waltonsomerset-pc.gov for a copy to print at home.

OTHER VILLAGE EVENTS

WALTON FRIENDS
Come join in

A new community group to connect, chat and enjoy some refreshments.
every 2nd and 4th Friday,
2pm to 4pm
Currently meeting at Walton Church

Holy Trinity Events this Christmas

Nativity Weekend
29th & 30th November
The church will be open from 10.00 until 4.00 each day and we would love you to come in and see the variety of nativity sets.

Carol Service
Sunday 14th December 6pm

Crib Service
Christmas Eve at 4.30pm

Midnight Communion
24th December 11.30pm

HOLY TRINITY CHURCH

All of us at the Church send our congratulations to Matt Hawkins after receiving a community award. This is so well deserved, he is appreciated by everyone in the village. Matt takes care of our churchyard beautifully and we are delighted to hear he has been rewarded in this way.
Our grateful thanks go to the wonderful couple who cleared the church wall and pavement of weeds. You were spotted doing your good deed and it looks amazing. Many thanks.

The MacMillan coffee morning held on the 25th September raised an amazing £411.07. Thank you to everyone who supported this event and ate delicious cakes. You are stars.
We had a lovely Harvest Festival followed by a breakfast on Sunday 5th October. Gifts were brought to be given to the local foodbank. This was followed by a beautiful Harvest service from Walton school on the following Thursday and included many more donations. All of these gifts were delivered to the Salvation Army, who run the Foodbank, for which they were very grateful.

We are holding a 'Nativity Weekend' on the 29th & 30th November. The church will be open from 10.00 until 4.00 each day and we would love you to come in and see the variety of nativity sets on show and enjoy tea/coffee and cake.
This year's Christmas focus will be 'Joy' as part of the Church of England's national Christmas campaign. As we spread joy, from mid-December, there will be joy themed pebbles hidden around the village, do look out for these and we'd love it if you could bring them to the Crib Service in Church on Christmas Eve (details below).
Our Carol Service will be held on Sunday 14th December at 6.00pm. Come and join us for this traditional service of readings and carols.
Christmas Eve we will be holding our much-loved Crib service at 4.30pm, when families come together to celebrate the birth of Jesus. Do come to join us.
Midnight Communion starts at 11.30 on 24th December and is the perfect way to see in Christmas Day and the birth of Jesus. You will be assured of a warm welcome.

Happy Christmas from us all at Holy Trinity Walton

Coffee Morning
Every Thursday 10.30 am to 11.30am at the church

Ava Lawrence & Sandra Gristock

September marked a big change at the Street & Walton Men's Shed, Brian Bastable who had been Chairman for 7 of the 8 years of the sheds existence, stood down to make way for a new and much younger Chairman.

Aaron Ricketts at 33 is one of the youngest Shed Members and probably the youngest Men's Shed Chairman in the UK Men's Shed Association.

The Shed has already felt the effect of new ideas and Aaron has started by sorting out all our wood storage in the workshops to give us much more room to work and a much cleaner environment.

All these changes have not changed the reason why we have a shed, there is still a need in our community for a safe and welcoming place for the older (or younger) person who may be experiencing social isolation, loneliness, mental or physical illness, to be able to come and meet, enjoy a chat over tea, coffee and biscuits and work on projects for themselves or our community.

We are happy to say that because of our successes we are looking to recruit new members both men and women to join us and help the shed progress in to the New Year and to enable us to provide the support to those who need it.

Our community work this year has been with Schools, residential homes and charities in Street and Glastonbury. We have made a Buddy bench for Hindahyes School, fairground games for St John's in Glastonbury, repaired several benches, large planters and around 30, bird, bat and hedgehog boxes. We are always on the lookout for projects to provide work for our members in the shed.

In the run up to Christmas we are having stalls at several Craft Fares in Glastonbury Town Hall, on Saturday 22nd November and 13th December and Street Christmas Fare on Saturday 6th December. We will have lots of Shed produce mainly of a Christmas theme, but also something different for your Christmas present list, why not come and find something different.

As always we are on the lookout for wood, machines and tools that we can use in our workshops, 90% of our work is done using recycled or re-purposed wood and materials and tools can be repaired for use or sold to help sustain the shed. We are happy to help you clear out a shed or garage of things that you no longer need but don't want to see go to the tip.

Photographs provided by Street & Walton Mens Shed

You can find us at: Hempitts Farm, Hempitts Road, Walton BA16 9QS and we open on Mondays 9am till 12:30, Tuesdays and Thursdays 9am till 4:30pm, the Monday morning, Tuesday and Thursday afternoons are mixed sessions for our lady members.

Please contact the Shed at streewaltomensshed2017@hotmail.com or ring the secretary on 01458 443940 for more information on how to join or donate to the shed.

WALTON WI

Over the summer and early autumn months we have competed in the County Quiz hosted by Westonzoyland W.I., supported the cheese and wine evening at County headquarters, and hosted the final between the six regional winning teams of the quiz in our village hall where, as well as adjudicating, our members also supplied welcome Ploughman's lunches served during the interval and manned the ever-popular raffle. In addition, we also prepared savoury refreshments, and our bakers supplied homemade cakes which we served at the Walton Fun Day where our help was also needed to run the raffle.

In August we held our Annual Picnic on the veranda of the village hall. Twenty-three ladies attended and sixteen participated in the Summer

Dress competition
Six members joined those from all over Somerset for the W.I.'s 110th Anniversary Banner Parade held in Wells in September.Having walked from the Cathedral along the High Street to St Cuthbert's Church, we then took part in a service of thanksgiving.

Regarding our regular activities, four members ran a return away kurling gig for Coxley W.I., which has been a regular event these last few years, and our monthly Ladies Who Brunch in the Mullions remained a very well attended fixture. Indoor games held in the village hall lounge have also resumed.

Our Explore Your Local Area visits have taken us to three interesting places. Firstly, on the Glastonbury Tor bus ride in very wet weather, when we were also able to ring the bell and see more of the colourful murals before enjoying tasty lunches in the Abbey Tea Rooms; then on a sunny day to Mike and Gill's farm in Walton for a tour to see the livestock and view first-hand robotic milking in progress, followed by a delicious buffet lunch supplied by Gill in their kitchen; and lastly, back to Glastonbury for a private tour of the Tribunal, ending in lunch again in the tea rooms.

During our evening meetings, which have resumed after the summer break, we had an interesting talk about belly dancing, with a chance to give it a try, and learnt more about the habits and personalities of Orangutans.

Our next evening meeting after publication will be our Christmas Party which always proves popular and will include some surprises.

Jo Haydon

THE WALTON TRUST

Lots of work has been happening at the hall, the most obvious being the car park resurfacing and new solar panels being installed.
The main hall floor is due to be refurbished in February 2026.
We are working to future proof the hall for you – and on this note we were recently awarded the Hallmark 1&2 quality standards for village halls.

Many thanks to everyone who helped with fundraising by supporting village events and thank you also to local organisations and the Parish Council for their grant funding.
