East Mead Lane Community Area Trees

Report to the August 2026 Parish Council Meeting

Information was recently received from Aboricare regarding the trees at the community area:

Good morning, Helen

I hope you are happy with the 2 tree reports we have forwarded to you. I know one site you didn't want to go ahead with (Eastmead Lane) but our consultant had a look at this site whilst they were in the area. She found two mature Ash trees on site with dead wood and end eight loaded stems over the public access and seating areas. Thought it would be better to let you know than not.

Kind regards

Caroline

I have requested a quote for the required works.
